

INNOVATION + PASSION + AUTOMATION

# PROVIDE A WORLD-CLASS SCRUB PROGRAM

The *scrubXchange* solution is an innovative high-capacity scrub dispenser. It allows laundries to offer a full service scrub program that combines scrubs, automation, delivery and processing.

## ✓ IMPROVE CUSTOMER RELATIONSHIPS

Reduce labor for hospitals and increase physician satisfaction.

## ✓ ADDITIONAL REVENUE

Add a new service line to your business and decrease scrub replacement costs.

## ✓ COMPETITIVE DIFFERENTIATOR

Protect and expand your customer base with an advanced new program.

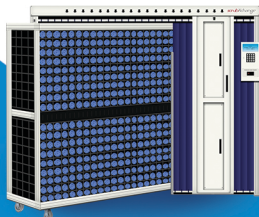

## ✓ INFECTION PREVENTION

Comply with AORN Guidelines by ensuring scrubs are stored in a clean, enclosed cart.

**Load** clean scrubs into the cart at your plant.

**Swap** carts out of the units at the hospital.
